

Positive Planet Grade 2/3 Lesson Plan III

Goal:

How do people live in Uganda? How do we get the food we need? How do people in Uganda get the food they need?

Materials: Beatrice's Goat, pictures to show life in Uganda, examples of typical Ugandan food, corn, cassava(yucca), sweet bananas, potatoes

Activity: List some of the things that you need to survive.

- How do you get these things?
- How do your parents get these things?

Introduce the story Beatrice's Goat.

- What do you notice about the cover?
- Describe the place where Beatrice lives.
- Discuss the pictures before reading each page.

After reading the story:

- How do people in Uganda get the things they need?
- Venn diagram comparing the information on the two charts.
